GO GREEN

With the new **USABCO Ecoliving range**. A focused programme of core gardening and home products, made from 100% recycled and recyclable materials.

USABCO is proud to be a member of ISO Environmental, and the Ecoliving program is furthering our commitment to being a responsible and sustainable company.

100% RECYCLABLE MATERIAL

DID YOU KNOW?

- Plastic recycling conserves our natural resources and energy.
- For every tonne of recycled plastics there are two jobs created in SA.
- Every tonne of recycled product is the equivalent of 13 000 2L ice cream tubs that could have ended up in the ocean.
